## **Objects of the Association**

The objects of the Association are to build greater capacity and promote the well being of migrants, refugees and humanitarian entrants and their communities.

### **In achieving its objects the Association will value:**

- a) Integrity by maintaining confidentiality and professionalism, treating others with respect, courtesy and fairness;
- b) Innovation by promoting and embracing meaningful change, pursuing excellence and striving to improve skills;
- c) Partnership by communicating in an open and honest manner with the community and other stakeholders, sharing ideas and resources;
- d) Diversity by recognising and respecting the value of human differences, acknowledging and appreciating the contribution of others;
- e) Accountability by taking personal and professional responsibility for our actions, maintaining a consistently high level of performance.
